

MEdicinal PLAnts in a SUstainable Supply chain.
Experience of land-use practices

STUDY VISIT
BASILICATA TO GREECE:
A COMPARISON OF THE USES, TRADITIONS AND
EXPERIENCES IN MEDICINAL CROPS

2-7 OCTOBER 2023

CREA, the Centre for Policy and Bioeconomy Research, in collaboration with the Hellenic Agricultural Organisation – Demeter, has organised a study visit to Thessaloniki and the Island of Chios from 2nd October to 7th October 2023. The objective of the study visit is to facilitate the exchange of best practice, methodologies, and technologies applied in Greece for medicinal crops, with the aim of enhancing the productivity supply chain in Basilicata.
